Maths Vocabulary

EYFS – Vocabulary							
Number and place value	Addition and Subtraction	Multiplication and Division	Measurement: Weight and Capacity	Measurement: Time	Measurement: length and height	Shape	Position and Direction
Count Subitise Order/Ordinal Compare Forwards Backwards Numerals Digit One more One less Equal to More than less than (fewer)	Add plus Altogether Total Take away Minus Number bonds Part whole	Double Half Equal Unequal Share Group Odd Even	Weight Capacity Heavy Heavier Heaviest Light Lightest Lighter Full/ empty more than / less than Full/half full	Yesterday Tomorrow After before First Next Morning Afternoon Evening Day Week Month Hour minutes	Compare Long longer longest Short Shorter Shortest Tall Taller Tallest	2d / 3d shapes Rectangle Square Circle Triangle Cuboid Cubes Cone spheres curved Straight Flat	Over Under Between Through Next to Beneath In On top of Inside

Year 1 – Vocabulary							
Number and Place value	Addition and Subtraction	Multiplication and Division	Measurement: Time and Money	Measurement: Length, Height Weight and capacity	Shape	Fractions	Position and Direction
Sort Represent Multiples Portioning Ones Tens Place value	Add plus Altogether Total Take away Minus Number bonds Part whole Equals Difference Double Near doubles	Multiplication Division Arrays Double Half Equal Unequal Share Group Odd Even	Chronological order Days of the week Months of the year O'clock Half past Seconds Money Coins Notes Pounds pence	Mass Volume Compare Heavier Lighter	Edges Vertices Vertex 2d / 3d shapes Rectangle Square Circle Triangle Cuboid Cubes Cone spheres curved Straight Flat	Whole Half Quarters Equal parts share	Position Direction Movement Whole turn Quarter turn Half turn Three quarter turn

Year 2 – Vocabulary							
Number and Place value	Addition and Subtraction	Multiplication and Division	Statistics	Measurement: Time and Money	Measurement: Length, Height Weight and Capacity	Fractions	Measurement: Shape, Position and Direction
Sort Represent Multiples Portioning Ones Tens Place value Count in Multiples Place value Estimate Compare Tally	Add plus Altogether Total Take away Minus Number bonds Part whole Equals Difference Double Near doubles Sum 3-digit number Column addition Column subtraction Exchange Estimate	Multiplication Table Commutative Arrays Repeated addition Times by Multiply Groups of	Category Tally chart Block graph Pictogram Represent Horizontal Vertical	Intervals of time Quarter past Quarter to O'clock Half past Duration Minutes Value change pounds pence	Kilogram (kg) Gram (g) Quarter full Three quarters full Litres (l) Millilitres (ml) Temperature Centimeter (cm) Metre (m)	Three quarters Third Equivalent fractions Unit fractions Non-unit fractions One whole	Pentagon Hexagon Lines of symmetry Properties Cylinders Edges Vertices Vertex Clockwise Anti-clockwise Straight line Rotation sequences

Year 3 – Vocabulary							
Number and place value	Addition and Subtraction	Multiplication and Division	Statistics	Measurement: Time	Measurement: length, height, weight and Capacity	Fractions	Measurement: Shape, Position and Direction
Ascending Descending 10 or 100 more 10 or 100 less Hundreds Thousands Roman numerals Rounding Increase Decrease	Sum 3-digit number Commutative Column addition Column subtraction Exchange Estimate guess how many ...? estimate nearly roughly close to approximate, approximately	Times by Multiply Groups of Lots of Set of Product Repeated addition Arrays Divide by Equally shared Equally grouped Exchange missing number problems Integer scaling problems	Table bar chart Pie chart Axis Venn diagram Pictogram Tally Chart Caroll diagram	Analogue Roman numerals Leap year Digital 12-hour clock 24-hour clock Noon Midnight Minutes seconds	Area Perimeter Metre (m) Centimetres (cm) Grams (g) Kilograms (kg)	½ Thirds Quarters Fifths Sixths Sevenths Eights Ninths Tenths Numerator Denominator One whole Equal parts Decimals	Right angle Triangle Heptagon Octagon Polygon Properties Prisms Orientation Obtuse Acute Horizontal lines Perpendicular lines Parallel lines

Year 4 – Vocabulary								
Number and place value	Addition and Subtraction	Multiplication and Division	Statistics	Measurement: Time	Measurement: length, height, Weight and Capacity	Fractions	Shape	Position and Direction
Multiples Ascending Descending 1000 more 100 less Hundreds Thousands Roman numerals Rounding Negative number	Commutative Column addition Column subtraction 4-digit numbers Operations Methods Increase Decrease	Times by Multiply Groups of Lots of Set of Product Repeated addition Arrays Divide by Equally shared Equally grouped Remainders Factor pairs	Table Bar chart Pie chart Axis Venn diagram Pictogram Tally Chart Caroll diagram Time graph Line graph Discrete data Continuous data Calculate Interpret	Analogue Roman numerals Leap year Digital 12-hour clock 24-hour clock Quarter past Quarter to Noon Midnight Minutes seconds	Kilometres (km) area Perimeter Litres (l) Millilitres (ml) Centimeter (cm) Metre (m)	Equivalence Equivalent fractions Hundredths Convert Proper fractions Improper fractions Decimal point Tenths Hundredths	Isosceles Equilateral Scalene Trapezium Rhombus Parallelogram Kite Geometric shapes quadrilaterals	Co-ordinates First quadrant Grid Translation Plot Polygon Axis

Year 5 – Vocabulary							
Number and place value	Addition and Subtraction	Multiplication and Division	Measurement: Weight and Capacity	Measurement: Time and Statistics	Measurement: length and height	Fractions	Measurement: Shape, Position and Direction
Tens thousands Powers of Integer Negative numbers Millions Hundred Thousand	Rounding Sum Counting on Counting back Inverse Commutative Column addition Column subtraction	Multiples factors Prime numbers Square numbers Cube numbers Short division Product Commutative law Prime factors Common factors	Cubic centimetre Pounds Pints Litres (l) Millilitres (ml) Centimeter (cm) Metre (m) Volume Temperature Tonne Kilogram (kg) 1 stone/ pounds Litres (l) Millilitres (ml) Temperature Centimeter (cm) Metre (m) Inches (in) 1 foot (ft) 1 yard (yd)	Analogue Roman numerals Leap year Digital 12-hour clock 24-hour clock Quarter past Quarter to Noon Midnight Minutes seconds Line graph Time graph Sum Difference	Decimal notation Scaling Metric units Imperial units Inches Compound shape Irregular shapes Square centimetres Square metres	Fifth Thousandths Mixed numbers Per cent Factors Integer Complements Rounding Mixed numbers	Regular polygon Irregular polygon Reflex angles Degrees Angles on a straight line Angles around a point Vertically opposite Missing angles Rectilinear shapes Reflection Translate Reflect Parallel Perpendicular Coordinates Axis Vertex/vertices

Year 6 – Vocabulary									
Number and place value	Addition and Subtraction	Multiplication and Division	Measurement: Weight and Capacity	Measurement: Length and Height	Statistics	Fractions	Measurement: Shape, position and Direction	Ratio	Algebra
Tens thousands Powers of Integer Negative numbers Millions Hundred Thousand Millions Ten million	Negative and positive numbers Rounding	Long division Multidigit numbers Factors Multiples Prime numbers Common factors Common multiples Long multiplication Short division	Metric Cubic metre Cubic millimetre Cubic kilometre Gallons Pints Volume Temperature Tonne Kilogram (kg) 1 stone/pounds Litres (l) Metre (m) Inches (in) 1 foot (ft) 1 yard (yd) Miles (m) Kilometre (km)	Conversion Miles Formulae Parallelograms Triangles Feet	Mean Pie charts Continuous data	Equivalent fractions Fifth Thousandths Mixed numbers Per cent Factors Integer Complements Rounding Mixed numbers	Radius Diameter Circumference Four quadrants Unknown angles Rectilinear shapes Reflection Translate Reflect Parallel Perpendicular Coordinates Axis Vertex/vertices Circumference Radius Diameter	Relative size Missing values Integer multiplication Percentages Scale factor Unequal sharing and grouping Proportion Scale factor Converting	Formulae Linear sequence Number sequences Formula Algebra Equations Combinations Variables
